

# STATISTICS IN TRANSITION

*new series*

*An International Journal of the Polish Statistical Association*

## CONTENTS

From the Editor .....	387
Submission information for authors .....	391
<b>Sampling methods and estimation</b>	
<b>Al-Nasser A. D., Al-Omari A.I., Mustafa A. B., Jaber K.,</b> Developing single-acceptance sampling plans based on a truncated lifetime test for an Ishita distribution .....	393
<b>Research articles</b>	
<b>Dwivedi L. M.,</b> The role of Breastfeeding vis-à-vis contraceptive use on birth spacing in India: a regional analysis .....	407
<b>Jabłońska K.,</b> Dealing with heteroskedasticity within the modeling of the quality of life of older people .....	433
<b>Majdzińska A.,</b> Spatial measures of development in evaluating the demographic potential of Polish counties .....	453
<b>Yaya O. S.,</b> Another look at the stationarity of inflation rates in OECD countries: application of structural break-GARCH-based unit root tests .....	477
<b>Other articles:</b>	
<i>Multivariate Statistical Analysis 2016, Łódź. Conference Papers</i>	
<b>Krzyśko M., Łukaszonek W., Wołyński W.,</b> Discriminant coordinates analysis in the case of multivariate repeated data .....	495
<b>Research Communicates and Letters</b>	
<b>Danish F.,</b> A mathematical programming approach for obtaining optimum strata boundaries using two auxiliary variables under proportional allocation .....	507
<b>Sabharwal A., Grover G.,</b> Comparison of diabetic nephropathy onset time of two groups with left truncated and right censored data .....	527
<b>Bieniek M.,</b> Channel performance under Vendor Managed Consignment Inventory Contract with additive stochastic demand .....	551
<b>Conference Announcement</b>	
An international scientific conference <i>Community Cohesion and Well-Being, and Innovative Development</i> will be held on December 4, 2018, in Warsaw .....	563
<b>About the Authors</b>
